

Bella Collina

Welcome to the pinnacle of luxury living at Florida's newest private community – Bella Collina. Inspired by centuries long Tuscan lore, you'll reside amongst nearly 2,000 acres of rolling hills, serene lakes, vibrant orange groves and majestic oaks. Enjoy traditional valley-style golf unique to central Florida. Explore the breathtaking countryside on horseback. Or gather to savor the culinary delight of expertly prepared, eclectic and contemporary Italian dishes at the exquisite grand clubhouse.

Bella Collina. Embrace the spirit of Tuscany just minutes from downtown Orlando.

The clubhouse construction is well underway with a projected opening early 2008. Stonework and stucco are quickly enveloping the exterior walls and interior touches have begun. Brick ceilings have been set in the wine room and private dining areas. The golf course is complete! While the course is complete we have very limited access as we continue to add landscaping and fertilize the course to be in top condition for play. We are planning an early fall opening for our Nick Faldo Championship Golf Course. The gatehouse is complete and staffed by Ginn security around the clock. The arrival into Bella Collina is truly taking on a Tuscan-inspired experience.

Speaking of experience, activity and fun will be at the heart of this amazing community. The unique lifestyle will offer something for everyone. Our fine Club will take its place among some of the most prestigious clubs in America. The activity will be endless.

Amenities
